### ***Are We There Yet?***

“How can they go unless they are sent?”

While numerous important foci clamour for our attention, I am reminded regularly that many have not yet heard the glorious message of Salvation through Jesus Christ our Lord. This desire propels me to seek out more workers, praying regularly, “Lord of the harvest, send more workers!”

### ***Family***

The ongoing development of our family continues to bring much joy to Karen and me. Megan, now in grade 11, rounds out her days with a job at Little Ceasar’s Pizza. Megan also serves on the AV team at the church. Carly, in grade 9, participates in a number of Guelph Bible Chapel activities, and is also in the Glee Club at school.

Many have asked about Karen’s health. Thanks! She’s improved A LOT since the fall, and has just now completed a round of medication to address reflux issues. Although her energy has been below normal, Karen’s ongoing investment in our daughter’s lives is a great source of encouragement and strength.

***Come visit!*** We now live at 35 Rhonda Rd, Unit 40, in Guelph, ON! Our thanks go to God for the provision of this suitable townhome. It fits our budget, places us near family and church, and really feels like “home” already. I’ve been getting to know the neighbours and believe that God has good things in store there too.

### ***SPARK Your Passion for Missions***

Together with Paul Muzzin, Jacob mobilized, prepared and debriefed a team of College students on World Team’s first SPARK event. 5 students from [Emmanuel Bible College](#) participated in a weekend of learning, evangelism, and prayer in the Greater Toronto Area.

The idea behind SPARK is to give students a mini version of pre-field training, “on-field” assignment, and a solid debrief element. The large variety of new Canadians with varying religious backgrounds provides a rich setting for the experience. Students joined Paul, and one of World Team’s workers in the GTA to learn, love, pray and bless this community.

### ***World Team Euro Internship***

Through connections made on college campuses, as well as through other agency members, 3 young women responded to an invitation to join the [World Team Internship for 2012](#).

Two of the girls will actually be in Europe for 3 months, arriving 5 weeks early, allowing them to shadow World Team church planters in Paris. With this event, World Team Canada will host a new Orientation Program, April 19 & 20. Outstanding items: fund-raising and planning the orientation event.

### ***Prayer***

- Pray that our family would be a blessing and a beacon in our townhouse complex
- Pray for our SPARK participants and Interns – that God would use this discovery process to lead more into reaching the unreached peoples of the world.
- Pray that God would send more workers into His fields of harvest
- Pray that World Team would grow in its capacity to bless others through innovative teams, clear Gospel presence, and new communities of believers.

Serving for His glory,  
*Jacob, Karen, Megan and Carly*
