Reaching the Chinese in Lima

Lima Peru is home to some 150,000+ First Generation Chinese immigrants. Less than 500 of these people enjoy a relationship with Jesus.

“How can they believe in the ONE of whom they have not heard?”

There are currently 2 churches, with a total of approximately 350 believers, that exist to serve the Chinese of Lima. There is only one other mission agency beginning to reach out into the Chinese peoples of Lima.

“And how can they hear without someone preaching to them?”

For over a year, Jacob developed relationships in the Chinese churches of Toronto. In October, 2014, Jacob & Jack Mitchell (**WT Chile**) joined Keith Lee (Canadian Director for **GO Intl**) for one week in Lima, solidifying the vision for **World Team** and **GO** to launch a team for this ministry. In May, 2015, Jacob hosts 4 Canadian Chinese church leaders in a research trip.

Please pray...

“LORD of the Harvest, send forth (Mandarin speaking) laborers to the Chinese of Lima!”

Thank you!

Thanks to YOU, our supporters! Over the past 16+ years, God has supplied all of our financial needs regularly through your faithful giving!

The travel and representation expenses for World Team mobilization are also subsidized by others giving to World Team's general fund.

Each month, we see HIS provision in so many ways. We are grateful indeed!

family news

Karen continues working part-time for a cleaning service and also serves as lunch-room supervisor at a local school. Somehow ministry to children always occupies part of her time!

Megan continues her studies at U of Ottawa. She's currently seeking a co-op placement for the summer months.

Carly will complete her Grade 12 this June. Her current "plan" is to take extra classes in the arts at GCVI & work part-time. In May, Carly will direct a "one-act" play she wrote. Way to go!

Special items of praise: Karen's brother, Chris Duncan underwent surgery for colon cancer in February. Complications extended his hospital stay to a full four weeks. He is now recovering - and has been declared "cancer free!" In Manitoba, Jacob's oldest brother John is also recovering from a successful operation! We're thankful!

Refreshment in God's Word...

When's the last time you enjoyed true refreshment in God's Word and presence?

The past months have been a time of refreshing for me. It seems that after a particularly busy season of ministry, my spirit was lagging, my energy fading, and my vision faltering. In January, at one of the meetings with Toronto Chinese church leaders, I was introduced to Edmund Chan of Singapore. Chan's emphasis on intentional disciple-making, spoken in a quiet heart-felt manner, brought tears to my eyes. After Chan prayed with me, he gave me two books, "Radical Discipleship" and "Growing Deep in God." These

books, along with a renewed sense of hunger for God's Word and weekly participation in our church's "Men's Transformation Group" have brought a refreshed joy in Christ! How graciously God opens His Word to me daily! How wonderfully He leads me in blessing the lives of others. How strong are His gifts of love and acceptance to me!

Continue to pray with me for ongoing refreshing in the lives of ALL of God's children. As a friend of mine often says, "We teach what we know, we reproduce who we are."

Mobilization - EVENTFUL!

Mobilization events in Vancouver and Winnipeg occupied a significant part of January and February. Preparations for the events, travel, event participation, and follow up all require planning and diligent effort.

World Team representation at MissionsFest Vancouver was a "new for me" event. We've not been there for a long while! I had the privilege of hosting the seminar "Exploring New Worlds" for 130 or so grade school children. Colton Martin (WT Papua MK) and Bethany Foutz (WT Philippines MK) assisted Bill Allan and me at the booth. One connection stands out for me. A Mandarin speaking Chinese pastor and his wife stopped to learn more about World Team. We spoke about the new ministry to Chinese in Peru that we are launching... long story short, this pastor

and his wife are joining the May Research/Vision trip to Lima! God is raising up the people HE has prepared for this ministry!

World Team representation at MissionFest Manitoba looked a LOT different this year than in the past! New appointees Pamela Walford and Richard Salas assisted me in greeting people at the booth. What a joy to have those recently mobilized to World Team join in the efforts to find more workers! My time in Manitoba also included participating in the commissioning service for Richard & Miriam Salas. Richard is preparing for his first ministry trip to Cuba under World Team direction. This is a continuation of his ministry through his local church in Cuba.
