- **Pray for the Mobilization Team at World Team Canada in finding more workers**
- **Pray for the Lima Short-Term team (Montreal Chinese Baptist Church) - Oct 28 - Nov 07**
- **Pray for wisdom in selecting a new mobilizer**

Chinese in Lima Update

Lima Peru is home to some 150,000+ First Generation Chinese immigrants. Less than 500 of these people enjoy a relationship with Jesus.

September 28 - October 07, I took a team of 5 Canadian Chinese to Lima for the purpose of evangelism, disciple-making and mobilization. Our approach to ministry in Lima is evolving, with local believers accompanying us on visits to Chinese Restaurants (Chifas) with a view to sharing the gospel with unbelievers and encouraging believers in their walk with Christ. Alan, Annie and I visited a small Chifa in Comas, where Min-Yun, a 17 year old boy lives and works with his parents. Min-Yun spent his early years in China with relatives, transitioning to Lima when he was 13. His integration into Peruvian culture was tough - language barriers frustrated him, friendships were difficult to form, and school became a burden. To top it all off, he was mugged one evening, leaving him shaken and alone. As a result Min-Yun spent his days indoors, playing video games and sleeping. His mother was distraught, what could be done?

Pastor Alan related well to Min-Yun's situation, as his transition to Canada was also traumatic. He shared Christ with Min-Yun and saw him embrace the salvation and hope found in Jesus! Min-Yun now lives with the power of God's Spirit in him, granting him peace in times of struggle, joy regardless of circumstance, and love for a mother he felt had done him wrong. The personal transformation was immediate. He confidently walked us to our bus stop, taking the risk of streets he'd been avoiding. He spoke with greater animation in his voice. The next day, he willingly assisted me in a small project I needed help with. Pray for Min-Yun, and the small group of believers in North Lima! Pray for full-time workers to join World Team in serving this group of people!

PRAISE GOD WITH US AS WE CELEBRATE PAMELA WALFORD (WORLD TEAM IN SURINAME) RECEIVING HER VISA TO SERVE AMONGST THE HINDUSTANI!

family news

Karen continues to work at a home-based daycare - now working full-time hours. The extra income is welcome with 2 college students in our family!

Megan is in her final year of studies at U of Guelph, with a view to graduating in Spring 2017! She also got her driving license this summer, so we have a helping hand in grocery shopping!

Carly is looking forward to a reading week break - coming up next week! She's studying at Sheridan College, and indicates that this has been a GOOD CHOICE!

Please continue to pray for my mother (Teana Ginter) as she adjusts to life without dad, her partner of 68 years. I'm grateful for the way my family in Manitoba care for her!

Min-Yun, a new brother in Christ!
