Chinese in Lima Update

Lima Peru is home to some 150,000+ First Generation Chinese immigrants. Less than 500 of these people enjoy a relationship with Jesus. From Oct 28 - Nov 07, I am with a team from the Montreal Chinese Baptist Church, collaborating with the Chinese Alliance Church of Peru to reach Chinese restaurant workers with the Gospel and develop believers in their walk with Christ. One member observed - "There's a real need for discipleship to take place here." Pray for Chinese believers in Lima! Pray for wisdom as they require discipleship. Pray for full-time workers to join World Team in serving this group of people!

Meet Heidi Goud!

Heidi Goud: NEW World Team Canada mobilizer! Heidi grew up in PNG where her parents continue to serve as missionaries with New Tribes. Heidi has a passion for helping people connect with God's calling in their lives. She is a proven mobilizer having experience with another agency. Please continue to pray for Heidi as she transitions to World Team and becomes oriented with our mission, our ethos and our ministry framework. She begins ministry with World Team next week. Good timing! She joins me at Emmanuel Bible College (EBC) for Missions Week!

family news

Carly REALLY enjoyed a time of relaxing and catching up with us over her reading week break. It was fun for us to have her home too!

Please pray for Megan as she's been experiencing a lot of fatigue and flu-like symptoms for a while now. We hope to get her in to see the doctor shortly.

While I really enjoy the blessings of these trips - I'm glad to say that my travels for 2017 are done when I return home Nov 07!!!

Pastor Bernabe Vega is the leader of the La Maranga church in Lima. During my visits to Lima, I've had the joy of getting to know this man of God, a servant leader with a vision to reach fellow Peruvians for Christ and to touch the nations with the Gospel. Pastor Bernabe recently returned from a trip to Venezuela, where he's involved in providing training to pastors, encouraging them to grow in love and service through the Gospel. A "SHOUT-OUT" to Jim Riddell, the World Team worker who mentored and encouraged this leader!
