Mobilization Efforts

March saw us working through application forms, sending out and checking references, and in general, preparing for an influx of workers! As a result of recent efforts - by our team and by current and past World Team field workers, we find ourselves processing an inordinate amount of new applications! This is the most exciting month I've enjoyed in this capacity to date during my time as a mobilizer with World Team! Praise God with me as we celebrate the surge of interest in cross-cultural ministry! Pray to God with me, as we seek to evaluate fit, timing, and potential placement for those in process.

Internship 2017

This year's college/university interns head out to Spain! As many of you recall, our family spent over 9 years in Spain, and as such, continue to rejoice when others serve in the country we love so dearly!

The Spain Internship 2017 involves two significant events: a one-week prayer conference and a one-week basketball clinic. During the prayer conference, participants receive insight into ministry in Spain, the highs and lows, the obstacles and the joys, and are then encouraged to take all this to the LORD - both immediately and after the conference is done. At the basketball clinic, interns serve in a variety of capacities, with the aim of reaching Spanish youth with the Gospel along relational lines.

Pray for our interns, Ben and Spencer, as they interact with our Spain Team members. May God open their eyes to the "fields that are white unto the harvest!"

Family Update

March Break

- Megan and Karen enjoyed extra time together over the March break. Although the weather did not allow for any excursions, there were plenty of social engagements! 😊
- With March Break behind us, both Megan and Carly are focused on finishing the semester well.
- Jacob is looking forward to Spring!
