

You Can PRAY

- Praise - 3 Candidates attending RACE!
- Praise - Megan has a job and Carly has strong potential!
- Praise - God continues to raise up workers for HIS fields of harvest!
- Pray for Jacob's preparation for RACE (4 sessions)
- Pray for Audrey's effectiveness in learning & serving
- Pray for more missionaries to serve in UPGs

Why We Do What We Do

UPGs - Unreached People Groups

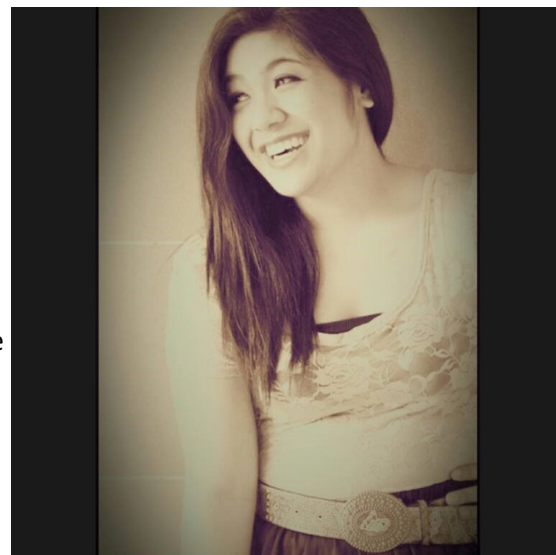

Throughout scripture, God reminds His people - Israel in the Old Testament and the Church in the New Testament - that He intends that ALL the people of the earth know HIM. In Philippians 2, Paul underscores that fact that EVERY knee will bow and EVERY tongue confess that Jesus Christ is LORD.

So, we continue to SEND, to GO, and to PRAY - that ALL might embrace the GOSPEL, and that ALL might glorify GOD. They DESERVE to hear! HE DESERVES their praise!

Summer Intern

Audrey Pacis, a World Team MK, is assisting us in mobilization over the summer months. The combination of Canada Summer Jobs funding and generous supporters makes this possible. Audrey assists in connecting with our constituent churches in the GTA, social media development and follow up with some people we've been tracking with for awhile. Her smile and "can do" attitude add to an already pleasant office experience at World Team!

R.A.C.E. July 2017

Family Mile-Markers

We keep going through changes on the home-front! Megan transitioned to a new job - cleaning staff at a local Motel in Guelph. Carly had 2 job interviews this week - hoping to land something by Monday! And Karen's job at the daycare comes to an end tomorrow, June 30. Karen is assisting [MissionPrep](#) in child-care for a week in July. She's great with children!

I (Jacob) had a week off in June to tear up and redo our back patio - fun, but required muscle! I also got in some fun activity and reading. A GREAT week!

World Team hosts R.A.C.E. (Reciprocal Assessment & Candidate Evaluation) at the USA Sending Centre - July 15-21. I (Jacob) will be driving down with 2 candidates from Toronto (preparing to serve amongst the Chinese of Lima) and we'll be joined by another Canadian from Ottawa (preparing to serve in France). Please pray for Tony & Fiona, as well as Dorothy, as we work through the assessment process together. While it's important that we "mobilize" people into the "fields of harvest," it's also imperative that we mobilize people who "fit" with our teams, our ethos and who can see themselves serving as God gifted them in the contexts in which we work.

"Who will not fear, O Lord, and glorify your name?

For you alone are holy.

All nations will come and worship you,

for your righteous acts have been revealed." (Revelation 15:4)
