Spain Joy

Our family enjoyed an AMAZING time in Spain. We visited friends and former co-workers, enjoyed Spanish cuisine, visited monumental sites, relived memories and created new memories!

We count ourselves greatly blessed to have had this opportunity as a family!

FOCUS on Muslim Ministry

World Team values PRAYER.

PRAYER is hard work - at least for me! I find it much easier to engage in conversation with others, read, sing/praise, or pass the time in a variety of ways. Yet, God continues to call us to prayer.

The evening of Sunday, May 05 marks the beginning of Ramadan - a time of fasting and prayer by Muslims around the world. I received the following information from a ministry in Toronto that seeks to bring the Gospel of Christ to Muslims in Canada.

*30 Days of Prayer for Ramadan was started just over 25 years ago and has been growing ever since. David Garrison points out in his book, **Wind in the House of Islam** that around 25 years ago, Muslims have begun to turn to Jesus in unprecedented numbers around the world. Is this just co-incidence or has the Lord of the Harvest been waiting for the church to get serious about praying for the Muslim world? With the eyes of faith we can see that prayer is the key to unlocking God's amazing work in the world.*

I encourage you to use [30 Days of Prayer](#) to participate in this movement of God!
