

Milan Prayer Week

September 2-9, 2019

Description: The headquarters of the Catholic Church is in Italy (Vatican City, Rome). A survey conducted by Eurispes (an Italian research center) indicates that Catholics make up 87.8% of Italian citizens with only 36.8% describing themselves as observants (*Wikipedia). With an increasingly large influx of immigrants (8.2% of foreign residents) the religious landscape is changing. Come, learn, and pray to impact that landscape for the true and living God. Meet our church planters, Italian nationals and hear testimonies as to how God is moving in the land.
